PROFESSIONAL EXPERIENCE

Emerald Consulting

INSEAD Pro-bono Consulting Initiative

Fontainebleau, France

Consultant

November 2025 - December 2025

- Mapped a \$2B+ addressable market across six customer segments for a Paris-based sustainability firm, working directly with client stakeholders to analyse sector dynamics, regulation, and competitors
- Prioritized 4 target industries and 3 regions, from a \$90B manufacturing market to a \$130B social-sector pipeline, to target where demand was strongest
- Accelerated projected market entry with a 3-phase go-to-market plan pairing direct sales and a vetted network of local distribution and maintenance partners

Oracle

A global enterprise software company (~150,000 employees) delivering cloud, database, and ERP solutions

Hyderabad, India

Software Developer - (IC1 & IC2)

July 2023 - January 2025

- Enabled daily releases, cutting release time from 6 days to 30 minutes and reducing manual errors, by leading a process optimization initiative across 6 teams, later rolled out company-wide
- Reduced failed releases by 30% by building a governance system for managing code changes across teams
- Restored on-time delivery for enterprise clients, eliminating week-long delays by resolving a long-standing operational issue

Project Intern

January 2023 - July 2023

- Strengthened compliance by running 20+ security reviews to find and fix vulnerabilities before shipping
- Sped up new-joiner onboarding by writing 5+ knowledge-transfer guides adopted across the team

RMgX Technologies

A digital product innovation and consulting firm (~50 employees) building user-centric solutions for enterprises

Remote

Development Intern

June 2022 - August 2022

- Enabled flood monitoring across 50+ districts and faster emergency alerts by building a dashboard for an Indian government disaster-response program

LEADERSHIP EXPERIENCE

INSEAD Women Mentorship Program

Official Leadership & Mentorship Network for Women at INSEAD

France / Singapore

Leadership Board Member

October 2025 - Present

- Launched and led the program's induction, onboarding 50+ members and pairing MBA and MIM mentor-mentee pairs, running networking events across 2 campuses

IECSE Manipal Institute of Technology

Official Computer Science Club of Manipal

Manipal, India

Board Member

September 2021 - September 2022

- Selected as 1 of 14 leaders in an 1,800+ member club, leading technical competitions, events, and recruitment
- Drove record attendance at the flagship event of the annual tech fest, directing logistics, promotion, and the participant experience
